 Children's Day Message by Principal Dr Manoj Dubey was published in The Times of India, NIE.

BE LIFELONG LEARNER TO BE A VIGILANT CITIZEN !

Children's Day is a day dedicated to you. Enjoy it! However, there are a few nuggets of wisdom I would like to present to you....

REMEMBER 'FREEDOM STRUGGLE': We have got freedom at the cost of the blood of martyrs who gave up their lives to realize the dream of a prosperous India. We must never let their struggle go in vain.

APPRECIATE GLORIOUS PAST AND UPHOLD VALUE SYSTEM: India has given great philosophers, scientists, mathematicians, writers, leaders, entrepreneurs, artists, technologists and sports persons. Like them, we can also make our lives sublime! Unity in diversity, religious tolerance, the concepts of 'Vasudhaiva Kutumbakam' and 'Satyameva Jayate' are core Indian values, we must always embrace.

BELIEVE IN THE POWER OF DEMOCRACY: As the world's biggest democracy, we believe in the might of the pen and know that the voice of the people is powerful. We have the right to dissent and express our views freely, but in a decent manner.

DEVELOP A SCIENTIFIC TEMPERAMENT: The basis of any invention or discovery is the spirit of questioning. Developing a scientific temperament, will lead to finding answers to problems.

VALUE NATURAL RESOURCES AND ENVIRONMENT: We must value natural resources and use them judiciously in a sustainable manner.

KNOWLEDGE IS POWER: Be lifelong learners. Try to know what is happening in the other parts of the world and be vigilant citizens. Ultimately you are the future of India!
